Content sections

Content sections available	Best Practice
Summary page	Yes
Overview page	Yes
Clinical topic definition	Yes
Epidemiology	Yes
Aetiology	Yes
Pathophysiology	Yes
Classification	Yes
Prevention	Yes
Screening	Yes
Diagnostic history & examination	Yes
Key diagnostic factors	Yes
Other diagnostic factors	Yes
Risk factors	Yes
Diagnostic tests	Yes
Interpretation of diagnostic tests	Yes
Differential diagnosis	Yes
Differentiating signs/symptoms	Yes
Differentiating tests	Yes
History	Yes
Diagnostic criteria	Yes
International diagnostic guidelines	Yes
Local diagnostic guidelines	Yes
Case histories	Yes
Treatment details based on specific patient groups	Yes
First Line treatments	Yes
Second Line treatments	Yes

Content sections available	Best Practice
Adjunct treatments	Yes
Emerging treatments	Yes
International treatment guidelines	Yes
Local treatment guidelines	Yes
Evidence grade scores	Yes
Evidence summary of systematic reviews	Yes
Non-drug treatments	Yes
Co-morbidities	Yes
Drug dosage and frequency information	Yes
Drug Nomenclature	Yes
Adverse effects, treatment, and precautions	Yes
Physicochemical characteristics	Yes
Pharmacokinetics	Yes
Uses and administration	Yes
Preparations	Yes
Drug Interactions	Yes
Precautions	Yes
Follow up recommendations & monitoring	Yes
Complications	Yes
Prognosis	Yes
Full literature references and links	Yes
Images	Yes
Patient Leaflets	Yes
